1. Introduction

This Explanatory Statement is provided to Shareholders to explain the resolutions to be put to Shareholders at the Annual General Meeting.

The Directors recommend Shareholders read the accompanying Notice of Meeting and this Explanatory Statement in full before making any decision in relation to the resolutions.

Subject to the abstentions noted below, the Directors unanimously recommend that Shareholders vote in favour of all Resolutions. The Chairperson of the Meeting intends to vote all available undirected proxies in favour of each resolution.

Capitalised terms used in the Notice and this Explanatory Statement are defined in Section 8.

2. Financial Statements and Reports

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2022 together with the declaration of the Directors, the Directors' report, the Remuneration Report, and the auditor's report.

There is no requirement for shareholders to approve these reports. However, time will be allowed during the Meeting for consideration by shareholders of the financial statements and the associated directors' and auditors' reports.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on the Company's website at www.starminerals.com.au.

The Company's Annual Report is placed before the Shareholders for discussion.

No voting is required for this item.

3. **Resolution 1: Adoption of Remuneration Report**

3.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the Remuneration Report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The Remuneration Report sets out the Company's remuneration arrangements for the directors and senior management of the Company. The Remuneration Report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the Remuneration Report at the annual general meeting.

3.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a Remuneration Report resolution are voted against adoption of the Remuneration Report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the Company who were in office when the directors' report (as included in the Company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the Company is approved will be the directors of the company.

3.3 **Previous voting results**

Since this is the Company's first annual general meeting as a listed company, the Spill Resolution is not relevant for this Annual General Meeting.

4. Resolution 2: Election of Director – Ms Gemma Lee

4.1 General

ASX Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting. The Company's Constitution provides that a director appointed by the other directors as an addition to the Board must retire from office at the next annual general meeting following the appointment of the director.

Ms Lee was appointed as a Non-Executive Director on 21 October 2022 by the then existing Directors as an addition to the Board.

The Company commenced listing on the ASX on 25 October 2021 and this Annual General Meeting is the first AGM to be conducted since listing.

Ms Lee retires at the Annual General Meeting and seeks election.

If Resolution 2 is passed, Ms Lee will be elected as a Non-Executive Director of the Company.

If Resolution 2 is not passed, Ms Lee will not be elected and she will retire as a Director. The Board may then consider an appointment to fill a casual vacancy pursuant to the Constitution, with ratification at the Company's next AGM.

4.2 **Qualifications and other material directorships**

Ms Lee is a geologist by profession with 20 years' experience in the mining industry in Western Australia, with extensive experience in resource development exploration at advanced exploration sites and working open pit and underground mines. Gemma graduated from Curtin University of Technology with a BSc. Applied Geology (hons) and is a member of the Australian Institute of Geoscientists (AIG).

4.3 **Board recommendation**

The Board supports the election of Ms Lee as a Director of the Company and recommends (with Ms Lee abstaining) that Shareholders vote in favour of Resolution 2.

5. Resolution 3: Approval of amended Equity Incentive Plan and issue of Equity Securities under the Equity Incentive Plan

5.1 Background

The Company currently operates an Equity Incentive Plan under which Directors, officers, employees and certain contractors may be offered awards pursuant to which they acquire or earn Equity Securities (e.g. Shares, Options and performance rights) in the Company.

The Equity Incentive Plan has been established with the objectives of:

- (a) establishing a method by which eligible participants can participate in the future growth and profitability of the Company through holding of equity interests in the Company;
- (b) providing an incentive and reward for eligible participants for their contributions to the Company;
- (c) attracting and retaining a high standard of executive, managerial, technical and other personnel for the benefit of the Company; and
- (d) aligning the interests of eligible participants more closely with the interests of the Shareholders, by providing an opportunity for eligible participants to hold an equity interest in the Company.

The *Treasury Laws Amendment (Costs of Living Support and Other Measures) Act 2022* (**ESS Act**) introduced a new Division 1A into Part 7.12 of the Corporations Act in relation to employee share

schemes. The ESS Act, which takes effect from 1 October 2022, effectively replaces and expands the existing ASIC Class Orders [CO 14/1000] and [CO 14/1001].

Accordingly, the Company has prepared an updated Equity Incentive Plan to reflect the changes to employee share schemes under the Corporations Act, as introduced by the ESS Act.

The key changes to the Equity Incentive Plan are as follows:

- (a) expansion of the eligibility criteria to include certain related persons such as directors, employees and service providers (including immediate family members, controlled bodies corporate or related self-managed superannuation funds) and removing the minimum service requirements; and
- (b) for offers of securities made for no monetary consideration, removing the issue limit previously stated in the Equity Incentive Plan for the purposes of enabling those offers to be made without the need for a disclosure document under the Corporations Act to be given to the participant.

A summary of the Equity Incentive Plan is set out in the Schedule to this Explanatory Statement.

Shareholder approval pursuant to Listing Rule 7.2 Exception 13 is being sought to approve the issue of securities under the updated Equity Incentive Plan.

5.2 Listing Rule requirements

Listing Rule 7.1 provides that an entity must not, subject to specified exceptions in Listing Rule 7.2, issue or agree to issue more Equity Securities during a 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period.

Listing Rule 7.2 sets out exceptions to the Equity Security placement limit under Listing Rule 7.1. The Company is seeking Shareholder approval pursuant to Listing Rule 7.2 Exception 13 to allow the Company to rely on this exception to the limit on the number of securities that may be issued without Shareholder approval under Listing Rule 7.1.

Listing Rule 7.2 Exception 13 sets out an exception to Listing Rule 7.1 for the issue of Equity Securities under an employee incentive scheme (e.g. the Equity Incentive Plan) that has either been approved by the entity's shareholders in general meeting or summarised in the entity's prospectus for its admission to ASX. For a period of 3 years from date of last shareholder approval or the entity's prospectus (as applicable), Equity Securities issued to persons who are not related parties of the entity under the Equity Incentive Plan are not counted in the calculation of the entity's 15% issuing capacity under Listing Rule 7.1.

The following information is provided in relation to the Equity Incentive Plan, for the purposes of Listing Rule 7.2 Exception 13(b):

- (a) A summary of the Equity Incentive Plan is set out in the Schedule to this Explanatory Statement.
- (b) Since 9 August 2021, being the date of the Company's prospectus for its admission to ASX (Prospectus), the Company has issued 2,500,000 Class B Performance Rights to Directors and the Chief Executive Officer (issued before the Company's admission to ASX), the details of which were contained in the Prospectus.

The maximum number of Equity Securities proposed to be issued under the Plan, following Shareholder approval, will be 4,000,000 Equity Securities (being approximately 7.5% of the number of the Company's fully paid ordinary shares on issue as at the date of the Notice). It is not envisaged that the maximum number of Securities for which approval is sought will be issued immediately.

If Resolution 3 is passed, the issue of securities under the Equity Incentive Plan to eligible participants within 3 years of the date of the Meeting will be excluded from the calculation of the Company's placement capacity under Listing Rule 7.1.

If Resolution 3 is not passed, the Company may still issue securities under the Equity Incentive Plan to eligible participants however, any issue of securities will reduce the Company's capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12 months following the date of the issue of the securities.

7.3 Directors' recommendation

Noting that the Directors may have a personal interest in the outcome of Resolution 3 by virtue of them being eligible to participate in the Equity Incentive Plan, the Directors recommend that Shareholders vote in favour of Resolution 3. This will give the Board the flexibility to issue securities to eligible participants under the Equity Incentive Plan without using the Company's issuing capacity under Listing Rule 7.1.

6. Resolution 4: Amendment of Constitution

6.1 Background

In 2021 the Corporations Act was amended to permit a company to hold and conduct general meetings using virtual meeting technology in accordance with the requirements of the Corporations Act.

The Board considers it important that the Company continue to have the ability to hold virtual meetings to ensure it is able to conduct general meetings in circumstances where in person attendance is not possible, practical or appropriate. Accordingly, it is proposed that the Constitution be amended to ensure the Company is able to hold virtual general meetings in accordance with the provisions in the Corporations Act concerning the use of virtual meeting technology.

6.2 **Resolution**

Resolution 4 is a special resolution which will enable the Company to amend its Constitution to:

- (a) expressly permit the Company to hold and conduct general meetings using virtual meeting technology as permitted by section 249R(1(c) of the Corporations Act; and
- (b) to ensure that the provisions of the Constitution concerning the conduct of meetings using virtual meeting technology are consistent with the requirements of section 253Q of the Corporations Act.

The amendments augment the existing provisions in the Constitution for the use of technology at general meetings and generally reflect the requirements of the Corporations Act.

Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 4 for it to be passed.

6.4 **Corporations Act requirements**

Section 136(2) of the Corporations Act provides that a company may modify or repeal its constitution (or a provision in its constitution), or may adopt a new constitution, by special resolution of its shareholders.

6.5 **Directors' recommendations**

The Directors recommend that Shareholders vote in favour of Resolution 4 to give the Company the flexibility to hold and conduct general meetings using virtual meeting technology only.

7. Resolution 5: Approval of Additional Placement Capacity

7.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (Additional Placement Capacity).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

Resolution 5 seeks Shareholder approval by way of special resolution for the Company to have the Additional Placement Capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If Resolution 5 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 5 is not passed, the Company will not be able to access the Additional Placement Capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

7.2 Information on Additional Placement Capacity

(a) **Quoted securities**

Any Equity Securities issued under the Additional Placement Capacity must be in the same class as an existing class of Equity Securities of the Company that are quoted on ASX.

As at the date of the Notice, the Company currently has one class of Equity Securities quoted on the ASX, being Ordinary Shares (ASX Code: CMO).

(b) Formula for Additional Placement Capacity

If Resolution 5 is passed, the Company may issue or agree to issue, during the 12-month period after this Meeting, the number of Equity Securities calculated in accordance with the following formula:

Additional Placement Capacity = (A x D) – E

- A = the number of fully-paid ordinary securities on issue at the commencement of the Relevant Period:
 - plus the number of fully-paid ordinary securities issued in the Relevant Period under an exception in ASX Listing Rule 7.2 other than exception 9, 16, or 17;
 - plus the number of fully-paid ordinary securities issued in the Relevant Period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period; or
 - the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4;
 - plus the number of fully-paid ordinary securities issued in the Relevant Period under an agreement to issue securities within rule 7.2 exception 16 where:
 - the agreement was entered into before the commencement of the Relevant Period; or
 - the agreement or issue was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4;
 - plus the number of fully paid ordinary securities issued in the Relevant Period with approval under Listing Rule 7.1 or ASX Listing Rule 7.4;
 - plus the number of partly-paid ordinary securities that became fully-paid in the Relevant Period;
 - less the number of fully-paid ordinary securities cancelled in the Relevant Period;
- D = 10%; and
- E = the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the Relevant Period where the issue or agreement has not been subsequently approved by Shareholders under Listing Rule 7.4.

7.3 Listing Rule requirements

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to Resolution 5:

(a) **Period for which the Additional Placement Capacity is valid**

The Additional Placement Capacity will commence on the date of the Meeting at which the Shareholder approval is obtained and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting (i.e. 30 November 2023), presuming Shareholder approval is obtained;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum Price at which equity securities may be issued

Any Equity Securities issued under the Additional Placement Capacity will be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

(i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or

(ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(c) Use of funds raised under Additional Placement Capacity

The Company intends to use funds raised from issues of Equity Securities under the Additional Placement Capacity for:

- (i) the acquisition of new resources, assets and investments (including expenses associated with such an acquisition);
- (ii) continued exploration expenditure on the Company's current assets/or projects (funds would then be used for project, feasibility studies and ongoing project administration);
- (iii) the development of the Company's current business; and
- (iv) general working capital.

(d) **Risk of voting dilution**

If Resolution 5 is passed and the Company issues securities under the Additional Placement Capacity, then there is a risk to existing Shareholders of economic and voting dilution, including the risk that:

- (i) the market price for Equity Securities in the same class may be significantly lower on the issue date of the new Equity Securities than on the date Shareholder approval is obtained for Resolution 5; and
- (ii) the new Equity Securities may be issued at a price that is at a discount to the market price for Equity Securities in the same class on the issue date.

The table below shows the potential dilution of existing Shareholders following the issue of Equity Securities under the Additional Placement Capacity (based on the formula set out above) using difference variables for the number of issued Ordinary Shares and the market price of Ordinary Shares. The table below is calculated using the closing market price of Shares and the number of Equity Securities on issue as at 21 October 2022.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the Additional Placement Capacity.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)	Dilution			
	lssue Price (per Share)	\$0.04 (50% decrease in current issue price)	\$0.08 (current market price)	\$0.16 (100% increase in current issue price)
53,000,001 (Current Variable A)	Shares issued – 10% voting dilution	5,300,000	5,300,000	5,300,000

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)	Dilution			
	Funds raised	\$424,000	\$848,000	\$1,696,000

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

- (i) As at the date of the Notice there are a total of 53,000,001 Shares issued, comprising 29,580,000 Shares currently quoted on the ASX (ASX Code: SMS) and a further 23,420,001 restricted Shares held in escrow.
- (ii) The issue price set out above is the closing price of the Shares on the ASX of \$0.08 on 21 October 2022.
- (iii) The Company issues the maximum possible number of Equity Securities under the Additional Placement Capacity.
- (iv) The issue of Equity Securities under the Additional Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
- (v) The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- (vi) This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1 unless otherwise disclosed.
- (vii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (viii) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) Allocation under the Additional Placement Capacity

The recipients of the Equity Securities to be issued under the Additional Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the Additional Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

As at the date of the Notice, the Company has not identified any proposed allottees of Equity Securities using the Additional Placement Capacity. However, the eventual allottees may include existing substantial Shareholders, other Shareholders and/or new investors.

None of the allottees will be a related party or an associate of a related party of the Company, except as permitted under Listing Rule 7.2. Existing Shareholders may or may not be entitled to subscribe for Equity Securities under the Additional Placement Capacity and it is possible that their shareholding will be diluted.

If the Additional Placement Capacity is used to acquire new assets or investments, then it is likely that the allottees will be the vendors of these assets/investments.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities under the Additional Placement Capacity.

(f) **Previous approval under ASX Listing Rule 7.1A**

The Company commenced listing on the ASX on 31 January 2022.

This Annual General Meeting is the first held since listing, and as such, the Company has not previously sought and obtained shareholder approval for the Additional Placement Capacity under ASX Listing Rule 7.1A.

7.4 Voting Exclusion

A voting exclusion statement is included at page 3 of the Notice of Meeting. As at the date of the Notice of Meeting, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 5.

7.5 **Board recommendation**

The Board recommends that Shareholders vote in favour of Resolution 5 as it will give the Company the flexibility to issue securities without Shareholder approval to raise necessary working capital in the future.

The Chairperson intends to vote all available proxies in favour of Resolution 5.
